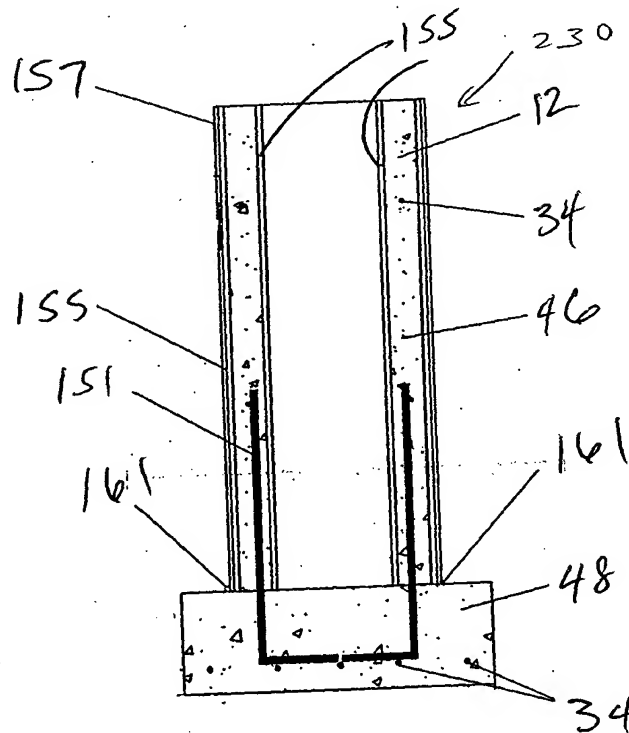

Figure 15

A hand-drawn schematic diagram of a mechanical assembly. The diagram includes the following labeled components and features:

- 250**: A large arrow pointing towards the top-left corner of the assembly.
- 254**: A curved line on the left side, possibly representing a spring or a guide.
- 252**: An arrow pointing towards the central vertical structure.
- 260**: A vertical rod or shaft passing through the center of the assembly.
- 268**: A horizontal line or plate intersecting the vertical rod.
- 280**: A small circular feature on the vertical rod, possibly a pin or a joint.
- 264**: A horizontal line or plate below the 268 component.
- 32**: A horizontal line or plate at the bottom of the central structure.
- 34**: A horizontal line or plate below the 32 component.
- 46**: A horizontal line or plate at the very bottom of the central structure.
- 12**: A horizontal line or plate on the right side of the assembly.
- 38**: A horizontal line or plate on the right side of the assembly.
- 270**: A wavy line at the bottom of the assembly, possibly representing a base or a fluid surface.
